

Helpful Hands, Inc., the Northeast Regional Early Intervention Collaborative (NREIC) is a not-for-profit organization whose goal is to promote quality, family-centered early intervention services in Bergen, Hudson and Passaic counties. NREIC offers family education and support, professional training and assistance, & system advocacy. It also serves as a link between the state and the region for coordination of early intervention policies and services.

The NREIC is a collaboration of parents and professionals working on behalf of infants and toddlers with a variety of special needs such as Down syndrome, Autism, Cerebral Palsy as well as developmental delays. NREIC seeks to ensure that families are empowered to help their children grow to their fullest potential. One way NREIC pursues this goal is to provide financial support, through its *Special Needs Fund*, to eligible families facing the many health and educational expenses of raising a young child with a disability or delay.

The proceeds of the Golf Outing will go to support the *Special Needs Fund* and other family support activities of the NREIC, a 501(c) (3) public charity. Donations are welcome & 100% tax-deductible. To learn more, please see our website:
